African Community Virtual Town Hall Meeting

In the wake of the brutal murder of George Floyd in Minneapolis, Minnesota and the civil unrest that ensued demanding justice, we as a community are seeking ways to be part of the solution to end the ongoing injustices once and for all.

The African community in Dane County have invited our local community leaders as panel members in a Virtual Town Hall Meeting. The purpose of this virtual town hall meeting is for our African community to meet with our local leaders to discuss police, race and community relations.

This Town Hall Meeting is a way to begin dialoguing with our local leadership with the intent to forge a working relationship that would tackle issues together as we move forward.

The meeting is scheduled for Saturday, July 11th at 5:00 pm. We do not anticipate this virtual meeting lasting longer than 1.5 hours.

Thank You.
